

AIA Trust Week LegalLine Webinar

LegalLine is an AIA Trust member benefit service that offers members access to qualified professionals who can help identify and manage risks while minimizing claims—whether dealing with clients, contractors, employees, or others. The AIA Trust is pleased to provide AIA members with the opportunity to earn 1 AIA Continuing Education Credit by reviewing the webinar and answering the following 10 questions. The objective of each test is to learn about LegalLine, but you don't have to ace the test to get credit. After you complete the test, write your name and member number on the completed test, scan, and email it to AIATrust@aia.org. Once we receive your questionnaire, you will be emailed an answer sheet with the correct responses and the learning credit will be added to your online transcript.
